Diesselhorst Sports & Orthopedics

A DIVISION OF THE PHYSICIANS' GROUP

FINANCIAL POLICY

Thank you for choosing Diesselhorst Sports & Orthopedics (DSO) as your healthcare provider. At DSO, we are dedicated to providing the highest quality, most cost effective care.

In addition to accepting traditional insurance plans and Medicare we are contracted with numerous Preferred Provider Organizations (PPO) and Health Maintenance Organizations (HMO). Because each plan is different, and constantly updating providers' participation status, please check with your particular plan to make sure we are currently participating in your network. We ask that you assist us in maximizing your insurance coverage by cooperating fully in all referral, prior authorization and pre-certification processes. **Please be aware that all insurance carriers do not consider some services rendered a covered benefit. It is important that you are aware of your insurance policy provisions of coverage.**

Accurate, up-to-date information is the patient's responsibility; please notify our office of any changes in your insurance or personal billing information. Please bring your current insurance card, or any other information that is required by your insurance company to each appointment. By maintaining updated information this ensures that your medical claims are filed correctly and prevents any unnecessary delays in processing your claim.

Payment for all co-insurance, deductible and non-covered services are due at the time of service unless special payment arrangements have been made. Payments can be made by cash, check, money order, Visa, Discover, American Express or MasterCard. We do have a payment plan for patients who have financial concerns. Please notify our office at 405.463.3337 to make financial arrangements. Please be aware that charge for physical therapy, durable medical equipment, laboratory testing, anesthesia, hospital, ambulatory surgery facilities and some radiology services may be billed separately.

If your injury was due to a motor vehicle accident (MVA) you will be setup on a self-pay account for any charges incurred up to \$500. If charges exceed \$500, a claim will be filed with the third party insurance carrier. In order to file this claim, complete billing information will be requested from the patient. A lien may be filed with the third party in order to ensure payment to the physician. **Please note that not all DSO/TPG Physicians will accept third party/MVA patients.**

There is a \$35 charge any FMLA, disability or accidental form completed. This charge is applicable per form completed any is payable prior to completion.

If you require surgery or other invasive procedures and are scheduled at OCOM, please be advised that your physician may have ownership in those facilities. If you wish, you may request another facility.

Again, thank you for allowing Diesselhorst Sports & Orthopedics to participate in your care.

Sincerely,

DSO Physicians and Staff

POLICY FOR CONTROLLED SUBSTANCE PRESCRIPTIONS

Print Patient Name: _____ DOB: _____

The purpose of this Agreement is to prevent misunderstandings about certain medicines the patient will be taking for pain management and/or anxiety management. This is to help both the patient and their provider comply with the law regarding controlled medications. Please read this contract thoroughly, as it is a condition of your continued treatment. Your signature will be required.

The use of opioids, benzodiazepines and stimulants may cause addiction, and is only one part of a complete treatment plan.

I agree to the following:

1. I am responsible for my medicines. I will not share, sell, or trade my medicine. I will not take any medicine not prescribed to me.
2. Forging or altering a narcotic prescription, or distributing medications to others is a crime. I understand that should any of the above occur, my entire care with this office will be terminated, and I will be reported to law enforcement authorities.
3. Excessive phone calls requesting increased dosages or frequency is viewed as drug-seeking behavior. Changes in medication will not be made without an office visit.
4. I will not increase my medicine until I speak with my doctor or nurse.
5. My medicine may not be replaced if it is lost, stolen, or used up sooner than prescribed.
6. I will keep all appointments set up by my doctor. I will notify my doctor's office at least 24 hours prior to my scheduled appointment if I must cancel. Multiple cancellations, no-shows, or rescheduled appointments may be considered non-compliance and may result in my termination as a patient.
7. I will bring the pill bottles with any remaining pills of this medicine to each clinic visit.
8. I agree to come to the office for a pill count at any time if asked by my doctor.
9. I will not use any illegal or controlled substances including marijuana, cocaine, amphetamines, etc.
10. I agree to give a blood or urine sample, if asked, to test for illegal drug and other medication use. I understand that my insurance company might not cover the test, and I will be responsible for the payment. I understand that this test can be very costly. This drug screen may be given at my initial visit, and again randomly through the course of my treatment.
11. I understand that my doctor's office will utilize the Oklahoma Bureau of Narcotics Drug Tracking Program.
12. I have been informed by my physician about narcotic effects, including the normal physiological effects of tolerance (where I might need to take more medication to obtain the same pain relief), and dependence (an uncomfortable withdrawal reaction which may occur if I stop taking medication abruptly), and the abnormal effects of addiction (psychological dependence leading to abnormal behavior), which is very rare in patients with genuine pain.
13. I understand that narcotics can adversely affect my judgment in making business decisions, and in operating equipment such as an automobile.
14. I understand that the main treatment goal is to improve my ability to function and/or work, not simply decrease pain. In consideration of that, I agree to help myself by following better health habits such as exercising regularly, achieving optimal weight control and limiting my use of unhealthy substances like alcohol and tobacco. I understand that only by following a healthier lifestyle can I hope to have the most successful outcome from my treatment.
15. I understand that there will be a trial period for this medication regime. Within this period, my case will be reviewed. If there is no evidence that I am improving, or that progress is being made to improve my function and quality of life, my medication regime will be tapered and my care will be referred back to my primary care physician.

16. Non-payment of services rendered may result in my office visit being rescheduled. Per this agreement, refills will only be provided at regularly scheduled office visits. If my office visit is rescheduled due to non-payment, I will not receive a refill on my medications.

Refills

- I understand that refills of narcotic medication will be given only during my regularly scheduled appointment, or once monthly by telephone if the current prescription has been correctly used. If the medication requires a written prescription, I must call 3 business days in advance. If the medication does not require a written prescription, I will call my pharmacy 3 business days in advance and have them fax the request to the office.
- I understand that refills will be made only during regular office hours—Monday through Thursday, 8:00AM-4:30 PM and Friday 8:00AM-12:00 PM. No refills will be available on nights, holidays, or weekends. Advance notice of 3 business days is required.
- I must keep track of my medications. No early or emergency refills may be made.
- Prescriptions must be filled before expiration. In the event the prescription has expired, the prescription must be returned to this office before a new prescription will be written.
- I will only use one pharmacy to get my medicine. My doctor may talk with the pharmacist about my medicines. The name and phone number of my pharmacy is _____.

Emergencies

In the event of a new injury or significant change in your condition, please call our office to make an appointment. In the case of a true medical emergency, please go directly to the ER or call 911. Patients are responsible for notifying any other physician they see that they obtain narcotics from this office. Patients are responsible for notifying this office of any treatment received by the ER or another physician. Patients must notify this office if narcotics have been obtained from another physician.

Prescriptions from Other Doctors

If I see another doctor who gives me a controlled substance medicine (a dentist, a doctor from the Emergency Room, another doctor, etc.), I must bring this medicine to the office in the original bottle, even if there are no pills left. I am not to seek or accept medications from other providers without my doctor’s permission.

Termination of Agreement

If I break any of the rules, if my drug test results are inconsistent with treatment prescribed by my doctors or if my doctor decides that this medicine is hurting me more than helping me, this medicine will be stopped by my doctor in a safe way, and no refills will be made. Further, my physician may dismiss me as a patient of the practice and ask me to select another physician. Any violation of this contract or counseling received regarding violations will remain a part of my permanent medical record. This contract will remain enforced during the entire course of my treatment plan.

I have talked about this agreement with my doctor and I understand the above rules.
